

Virtual Experience Live Event Schedule:

Dear educators,

Listed below is a full list of live events that will be taking place during the course of MFG Days 2020.

These sessions are designed to help students explore the manufacturing industry across the Michiana region, including Berrien, Cass, and Van Buren Counties in Michigan and St. Joseph, Elkhart, and Marshall Counties in Indiana. A variety of businesses and community partners will be featured throughout the session schedule from both Indiana and Michigan. Additional opportunities may become available as the weeks continue. The Chamber will work hard to ensure that this information stays as up to date as possible.

All virtual experiences will be recorded and made available via the MFG Days landing page at www.GreaterNilesChamber.com/MFGDays. To protect the privacy of all students involved, all attendees will remain muted with their cameras powered off. Questions may be asked via the "Question" box at the bottom of your Zoom meeting screen.

Each session is privatized for educators, to ensure the safety and privacy of all students involved. **To join a meeting, please request a Zoom meeting link by emailing eileen@greaternileschamber.com.**

For more information, please contact the Greater Niles Chamber of Commerce at (269) 683-1833.

Thank you,

Chamber Staff

Tuesday, 10/20/20			
Class	Time	Guest Speakers	Sponsors
Computers in Design & Production	9:15 - 10:00	Jamil Packaging, Clayton Homes, NSG Group	LIFT Network
Advanced Manufacturing	10:30 - 11:15	C & S Machine	1st Source
Preparing for College & Careers	12:45 - 1:25	Ivy Tech, Purdue, WorkOne	Centier
Engineering - Introduction to Engineering Design & Development	2:15 - 3:00	Notre Dame, Mack Tool	PPHS

Wednesday, 10/21/20			
Class	Time	Guest Speakers	Sponsors
Preparing for College & Careers	9:15 - 10:00	Jamil Packaging, Purdue, Lyons Industries	Lyons Industries
Engineering - Robotics (Penn) Principles of Engineering (CA)	10:30 - 11:15	Notre Dame, Edgewater Automation, NSG Group	NSG Group
Precision Machining 2	1:00 - 1:45	ITAMCO, Mack Tool, Ivy Tech	Ivy Tech

Tuesday, 10/27/20			
Class	Time	Guest Speakers	Sponsors
Engineering - Intro to Engineering Design (Riley) Principles of Civil Engineering (Penn)	9:05 - 9:45	Notre Dame, Purdue, City of South Bend Engineering Department	N/A
Precision Machining 1	10:15 - 11:00	ITAMCO, Ivy Tech, Modineer	NTMA
Preparing for College & Careers - (2 Penn Classes)	11:45 - 12:30	Purdue, C & S, 1st Source	Centier
Advanced Manufacturing	12:45 - 1:30	ITAMCO, Mack Tool, GSM	Ivy Tech
Digital Electronics	2:25 - 3:05	ITAMCO, Ivy Tech	IM

Wednesday, 10/28/20			
Class	Time	Guest Speakers	Sponsors
Welding - Welding Technologies (CA) Welding Technology 1 (Penn)	9:15 - 10:00	GSM, Ivy Tech,	SBCSC
Supply Chain & Logistics	10:15 - 11:00	John Herzig, Jeff Tucker (Tucker Company Worldwide)	Ivy Tech
