CITY OF NILES

Press Release

DRIVE THRU SERVICES ONLY AT CITY HALL

Niles, March 23, 2020: Effective immediately, the City of Niles will provide Drive-Thru customer services for payment of utility bills, utility services, taxes, etc. Monday through Thursday from 12:00 pm to 4:00 pm only. On Fridays the drive-thru window will be available from 7:30 am to 11:30 am only. The City's after hours drop box is available for utility payments and the City's online payment system is always available.

Limiting the staff's exposure will assist the City of Niles to fulfill its commitment to provide uninterrupted essential services to our residents and business owners during this unprecedented time.

We encourage all our citizens to heed Governor Whitmer's Executive Order 2020-21 which takes effect at 12:01am tonight. This order broadly requires all Michigan citizens to remain at home except for critical infrastructure workers and for individuals to obtain food and medication.
